Smart

	Code: SA.S.6.3 **Name:** SMART electric outboard - 3.000 Watt - 24V - Touch display PMAC electric outboard with embeeded electronic power board. Power 3.000W . Voltage 24V. Touch display with SMART control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.	6.490,00 €
	Code: SA.S.8.4 **Name:** SMART electric outboard - 4.300 Watt - 48V - Touch display PMAC electric outboard with embeeded electronic power board . Power 4.300W . Voltage 48V. Touch display with SMART control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.	6.690,00 €
	Code: SA.S.12.6 **Name:** SMART electric outboard - 6.000 Watt - 48V - Touch display PMAC electric outboard with embeeded electronic power board. Power 6.000W . Voltage 48V. Touch display with SMART control panel. Bluetooth embedded. PMAC electric outboard with embeeded electronic power board. Power 3.000W . Voltage 24V. Touch display with SMART control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.	7.290,00 €

Code: SA.S.16.8 **Name:** SMART electric outboard - 8.000 Watt - 48V - Touch display PMAC electric outboard with embeeded electronic power board. Power 8.000W . Voltage 48V. Touch display with SMART control panel. Bluetooth embedded. PMAC electric outboard with embeeded electronic power board. Power 3.000W . Voltage 24V. Touch display with SMART control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.		7.990,00 €
Code: SA.S.20.10 **Name:** SMART electric outboard -10.000 Watt - 48V - Touch display PMAC electric outboard with embeeded electronic power board. Power 10.000W . Voltage 48V. Touch display with SMART control panel. Bluetooth embedded. PMAC electric outboard with embeeded electronic power board. Power 3.000W . Voltage 24V. Touch display with SMART control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.		8.390,00 €

Easy

Code: SA.E.20.10 **Name:** EASY Electric outboard - 10.000 Watt - 48V - Led dashboard PMAC electric outboard with embeeded electronic power board . Complete with propeller, bracket and control board. Power 10.000W . Voltage 48V. LED dashboard with EASY control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.		7.590,00 €
Code: SA.E.6.3 **Name:** EASY electric outboard - 3.000 Watt - 24V - Led dashboard PMAC electric outboard with embeeded electronic power board . Complete with propeller, bracket and control board. Power 3.000W . Voltage 24V. Led dashboard with EASY control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.		5.890,00 €
Code: SA.E.8.4 **Name:** EASY electric outboard - 4.300 Watt - 48V - Led dashboard PMAC electric outboard with embeeded electronic power board . Complete with propeller, bracket and control board. Power 4.300W . Voltage 48V. LED dashboard with EASY control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.		6.190,00 €

	Code: SA.E12.6 **Name:** EASY electric outboard - 6.000 Watt - 48V - Led dashboard PMAC electric outboard with embeeded electronic power board . Complete with propeller, bracket and control board. Power 6.000W . Voltage 48V. LED dashboard with EASY control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.	6.590,00 €
	Code: SA.E.16.8 **Name:** EASY electric outboard - 8000 Watt - 48V - Led dashboard PMAC electric outboard with embeeded electronic power board . Complete with propeller, bracket and control board. Power 8000W . Voltage 48V. LED dashboard with EASY control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.	7.290,00 €

Smart

	Code: RC.S.20.10 **Name:** Remote console Smart electric outboard - 10.000 Watt - 48V PMAC electric motor outboard with embeeded electronic power board . Power 10.000W . Voltage 48V. Remote Smart touch display with Bluetooth 4.0. GPS/GSM. Plug and Play device ready. Complete with propeller and side mount single lever throttle with neutral safety position.	7.990,00 €
	Code: RC.S.6.3 **Name:** Remote console Smart electric outboard - 3.000 Watt - 24V PMAC electric motor outboard with embeeded electronic power board . Power 3.000W . Voltage 24V. Remote Smart touch display with Bluetooth 4.0. GPS/GSM. Plug and Play device ready. Complete with propeller and side mount single lever throttle with neutral safety position.	6.290,00 €
	Code: RC.S.8.4 **Name:** Remote console Smart electric outboard - 4.300 Watt - 48V PMAC electric motor outboard with embeeded electronic power board . Power 3.000W . Voltage 24V. Remote Smart touch display with Bluetooth 4.0. GPS/GSM. Plug and Play device ready. Complete with propeller and side mount single lever throttle with neutral safety position.	6.490,00 €
	Code: RC.S.12.6 **Name:** Remote console Smart electric outboard - 6.000Watt - 48V PMAC electric motor outboard with embeeded electronic power board . Power 6.000W . Voltage 48V. Remote Smart touch display with Bluetooth 4.0. GPS/GSM. Plug and Play device ready. Complete with propeller and side mount single lever throttle with neutral safety position.	7.090,00 €

	Code: RC.S.16.8 **Name:** Remote console Smart electric outboard - 8.000 Watt - 48V PMAC electric motor outboard with embeeded electronic power board . Power 8.000W . Voltage 48V. Remote Smart touch display with Bluetooth 4.0. GPS/GSM. Plug and Play device ready. Complete with propeller and side mount single lever throttle with neutral safety position.	7.690,00 €

BATTERY

Easy

	Code: RC.E.20.10 **Name:** Remote console Easy electric outboard - 10.000 Watt - 48V PMAC electric outboard with embeeded electronic power board . Complete with propeller, bracket and control board. Power 10.000W . Voltage 48V. LED dashboard with EASY control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.	7.290,00 €
	Code: RC.E.6.3 **Name:** Remote console Easy electric outboard - 3.000 Watt - 24V PMAC electric outboard with embeeded electronic power board . Complete with propeller, bracket and control board. Power 3.000W . Voltage 24V. LED dashboard with EASY control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.	5.690,00 €
	Code: RC.E.8.4 **Name:** Remote console Easy electric outboard - 4.300 Watt - 48V PMAC electric outboard with embeeded electronic power board . Complete with propeller, bracket and control board. Power 4.300W . Voltage 48V. LED dashboard with EASY control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.	5.790,00 €
	Code: RC.E.12.6 **Name:** Remote console Easy electric outboard - 6.000 W - 48V PMAC electric outboard with embeeded electronic power board . Complete with propeller, bracket and control board. Power 6.000W . Voltage 48V. LED dashboard with EASY control panel. Bluetooth embedded. Complete with propeller and side mount single lever throttle with neutral safety position.	6.390,00 €

Code: RC.E.16.8
Name: Remote console Easy electric outboard - 8.000 Watt - 48V
PMAC electric outboard with embeeded electronic power board .
Complete with propeller, bracket and control board. Power 8.000W .
Voltage 48V. LED dashboard with EASY control panel. Bluetooth
embedded. Complete with propeller and side mount single lever
throttle with neutral safety position.

6.990,00 €

Easy + Tiller

Code: SA.ET.20.10
Name: EASY Tiller electric outboard - 10.000 Watt - 48V - Led
dashboard
PMAC electric outboard with embeeded electronic power board .
Complete with propeller, bracket and control board. Power 10.000W
. Voltage 48V. Tiller. LED dashboard with EASY control panel.
Bluetooth embedded.

8.490,00 €

Code: SA.ET.6.3
Name: EASY Tiller electric outboard - 3.000 Watt - 24V - Led
dashboard
PMAC electric outboard with embeeded electronic power board .
Complete with propeller, bracket and control board. Power 3.000W .
Voltage 24V. Tiller. LED dashboard with EASY control panel.
Bluetooth embedded.

6.590,00 €

Code: SA.ET.8.4
Name: EASY Tiller electric outboard - 4.300 Watt - 48V - Led
dashboard
PMAC electric outboard with embeeded electronic power board .
Complete with propeller, bracket and control board. Power 4.300W .
Voltage 48V. Tiller. LED dashboard with EASY control panel.
Bluetooth embedded.

6.790,00 €

Code: SA.ET.12.6
Name: EASY Tiller electric outboard - 6.000 Watt - 48V - Led
dashboard
PMAC electric outboard with embeeded electronic power board .
Complete with propeller, bracket and control board. Power 6.000W .
Voltage 48V. Tiller. LED dashboard with EASY control panel.
Bluetooth embedded.

7.490,00 €

Code: SA.ET.16.8
Name: EASY Tiller electric outboard - 8.000Watt - 48V - Led
dashboard
PMAC electric outboard with embeeded electronic power board .
Complete with propeller, bracket and control board. Power 8.000W .
Voltage 48V. Tiller. LED dashboard with EASY control panel.
Bluetooth embedded.

8.190,00 €

EASY Pod

	Code: POD.E.20.10 **Name:** Easy Pod 10.000 Watt -48V PMAC electric motor pod with embeeded electronic power board . Power 10.000W . Voltage 48V. Easy Remote led interface with Bluetooth 4.0. Complete with propeller and side mount single lever throttle with neutral safety position.	4.990,00 €
	Code: POD.E.6.3 **Name:** Easy Pod 3.000 Watt -24V PMAC electric motor pod with embeeded electronic power board . Power 3.000W . Voltage 24V. Easy Remote led interface with Bluetooth 4.0. Complete with propeller and side mount single lever throttle with neutral safety position.	3.990,00 €
	Code: POD.E.8.4 **Name:** Easy Pod 4.300 Watt -48V PMAC electric motor pod with embeeded electronic power board . Power 4.300W . Voltage 48V . Easy Remote led interface with Bluetooth 4.0. Complete with propeller and side mount single lever throttle with neutral safety position.	4.190,00 €
	Code: POD.E.12.6 **Name:** Easy Pod 6.000 Watt -48V PMAC electric motor pod with embeeded electronic power board . Power 6.000W . Voltage 48V. Easy Remote led interface with Bluetooth 4.0. Complete with propeller and side mount single lever throttle with neutral safety position.	4.490,00 €
	Code: POD.E.16.8 **Name:** Easy Pod 8.000 Watt -48V PMAC electric motor pod with embeeded electronic power board . Power 8.000W . Voltage 48V. Easy Remote led interface with Bluetooth 4.0. Complete with propeller and side mount single lever throttle with neutral safety position.	4.790,00 €

SMART Pod

	Code: POD.S.20.10 **Name:** Smart Pod 10.000 Watt -48V PMAC electric motor pod with embeeded electronic power board . Power 10.000W . Voltage 48V. Remote Smart touch display with Bluetooth 4.0. GPS/GSM. Plug and Play device ready. Complete with propeller and side mount single lever throttle with neutral safety position.	5.990,00 €

Code: POD.S.6.3
Name: Smart Pod 3.000 Watt -24V
PMAC electric motor pod with embeeded electronic power board . Power 3.000W . Voltage 24V. Remote Smart touch display with Bluetooth 4.0. GPS/GSM. Plug and Play device ready. Complete with propeller and side mount single lever throttle with neutral safety position.

4.490,00 €

Code: POD.S.8.4
Name: Smart Pod 4.300 Watt -48V
PMAC electric motor pod with embeeded electronic power board . Power 4.300W . Voltage 48V. Remote Smart touch display with Bluetooth 4.0. GPS/GSM. Plug and Play device ready. Complete with propeller and side mount single lever throttle with neutral safety position.

4.690,00 €

Code: POD.S.12.6
Name: Smart Pod 6.000 Watt -48V
PMAC electric motor pod with embeeded electronic power board . Power 6.000W . Voltage 48V. Remote Smart touch display with Bluetooth 4.0. GPS/GSM. Plug and Play device ready. Complete with propeller and side mount single lever throttle with neutral safety position.

5.090,00 €

Code: POD.S.16.8
Name: Smart Pod 8.000 Watt -48V
PMAC electric motor pod with embeeded electronic power board . Power 8.000W . Voltage 48V. Remote Smart touch display with Bluetooth 4.0. GPS/GSM. Plug and Play device ready. Complete with propeller and side mount single lever throttle with neutral safety position.

5.490,00 €

ACCELERATOR LEVERS

Code: OPT.ACC.01
Name: Side Throttle lever
Throttle with side controls

670,00 €

Code: OPT.ACC.03
Name: Throttle lever
Throttle lever side mount

455,00 €

Code: OPT.ACC.00
Name: Throttle lever
Trottle accelerator lever

490,00 €

24V - up to 300A

Code: B2500.24.300
Name: Lithium battery 2.500 Wh - 24V - Max discharge current 300A
Lithium battery . Capacity 2.500 Wh. Voltage 24V , nominal current 104Ah. Max discharge current 300 A. Sony VTC6 cell technology. Plug & Play case available. Dynamic Charging ready. Plug and play power connectors. IP 67. Size 260*165*340mm Weight 19 kg.

3.990,00 €

PROPELLERS

Code: P.P.HS
Name: High speed propeller
Bronze high speed propeller for planning boats

699,00 €

Code: P.D.LS
Name: Low speed propeller
Bronze low speed propeller for displacement boats.

699,00 €

Code: P.SD.MS
Name: Medium speed propeller
Bronze medium speed propeller for semi-displacement boats.

699,00 €

NAKED Pod

Code: POD.N.20.10
Name: Electric motor 10.000 Watt -48V
PMAC electric motor pod with embeeded electronic power board . Power 10.000W . Voltage 48V . Complete with propeller and side mount single lever throttle with neutral safety position.

4.890,00 €

Code: POD.N.6.3
Name: Electric motor 3.000 Watt -24V
PMAC electric motor pod with embeeded electronic power board .
Power 3.000W . Voltage 24V . Complete with propeller and side
mount single lever throttle with neutral safety position.

3.590,00 €

Code: POD.N.8.4
Name: Electric motor 4.300 Watt -48V
PMAC electric motor pod with embeeded electronic power board .
Power 4.300W . Voltage 48V .Complete with propeller and side
mount single lever throttle with neutral safety position.

3.790,00 €

Code: POD.N.16.8
Name: Electric motor 8.000 Watt -48V
PMAC electric motor pod with embeeded electronic power board .
Power 8.000W . Voltage 48V . Complete with propeller and side
mount single lever throttle with neutral safety position.

4.490,00 €

Code: POD.N.12.6
Name: Pod motor 6.000 Watt -48V
PMAC electric motor pod with embeeded electronic power board .
Power 6.000W . Voltage 484V . Complete with propeller and side
mount single lever throttle with neutral safety position.

4.290,00 €

OPTIONS

Code: OPT.12V.00
Name: 12V Output
12V electric output

29,00 €

Code: OPT.BP.00
Name: Bilge pump
Plug and play bilge pump

99,00 €

Code: OPT.SP.00
Name: Bluetooth audio speaker
Plug and play audio speaker with embeeded bluetooth.

199,00 €

Code: OPT.CS.00
Name: Buzzer
Plug and play boat buzzer

89,00 €

Code: OPT.ETT.01
Name: Electric tilt/trim
Electric tilt and trim with position feedback

435,00 €

Code: OPT.SOL.00
Name: Monocrystalline solar panel
Flexible and foldable solar panel with monocrystalline cell - 95 Wp

430,00 €

Code: OPT.LT.00
Name: Navigation light
Navigation light , led technology, white, red and green

169,00 €

Code: OPT.SOL.01
Name: Polycrystalline solar panel
Flexible and foldable solar panel with polycrystalline cell - 80 Wp

330,00 €

Code: OPT.AS.00
Name: Shaft profile
Pod alluminium shaft profile

45,00 €

Code: OPT.USB.00
Name: USB plug
USB plug

39,00 €

48V - up to 500A

Code: B1250.48.100
Name: Lithium battery 1.250 Wh - 48V - Max discharge current 100A
Lithium battery . Capacity 1.250 Wh. Voltage 48V , nominal current
52Ah. Max discharge current 100 A. Sony VTC6 cell technology.
Plug & Play case available. Dynamic Charging ready. Plug and play
power connectors. IP 67. Size 260*165*220mm Weight 10 kg.

1.990,00 €

Code: B2500.48.300 **Name:** Lithium battery 2.500 Wh - 48V - Max disharge current 300A Lithium battery . Capacity 2500 Wh. Voltage 48V , nominal current 104Ah. Max discharge current 300 A. Sony VTC6 cell technology. Plug & Play case available. Dynamic Charging ready. Plug and play power connectors. IP 67. Size 260*165*340mm Weight 19 kg.	3.990,00 €
Code: B3800.48.500 **Name:** Lithium battery 3.800Wh - 48V - Max discharge current 500A Lithium battery . Capacity 3.800 Wh. Voltage 48V , nominal current 79Ah. Max discharge current 500 A. Sony VTC6 cell technology. Plug & Play case available. Dynamic Charging ready. Plug and play power connectors. IP 67. Size 260*165*460mm Weight 26 kg.	4.990,00 €
Code: B7600.48.500 **Name:** Lithium battery 7.600 Wh - 48V - Max disharge current 500A Lithium battery . Capacity 7.600 Wh. Voltage 48V , nominal current 158Ah. Max discharge current 500 A. Sony VTC6 cell technology. Plug & Play case available. Dynamic Charging ready. Plug and play power connectors. IP 67. Size 310*185*720mm Weight 49 kg.	6.990,00 €

DRIVES

Code: D12.2496.240 **Name:** 12 kW electric motor drive Drive for electric motor. 24-56VDC +-10% power supply. Max Power 12kW@48VDC. 1 Rele output. 4 Digital input. 1 analogic input. Temperature derating. Energy recovery tool. Resolver feedback. Can Bus 2.0 configurable. Pc software setting tool by Can Bus line. M8 Power cables fitting. AmpSeal 23 ways for I/O e communication. Available 96V 130 A version.	490,00 €
Code: D.260.100600.400 **Name:** 260 kW electric motor drive Drive for electric motor. 100-600VDC +-10% power supply. Max Power 260kW@600VDC. 4 Rele output. 2 Digital input. 4 analogic input. 1 analogic output. 16 Digital input programmable. Temperature derating. Energy recovery tool. Resolver-Encoder-Hall-Sin/Cos feedback. Can Bus 2.0 configurable. Pc software setting tool by Can Bus line. M8 Power cables fitting. AmpSeal 35 ways for I/O and communication.	3.490,00 €
Code: D65.48144.800 **Name:** 65 kW electric motor drive Drive for electric motor. 48-144VDC+-10% power supply. Max Power 65kW@96VDC. 2 digital output. 4 Digital input. 2 analogic input. Temperature derating. Energy recovery tool. Resolver-Encoder-Hall-Sin/Cos feedback. Can Bus 2.0 configurable. Pc software setting tool by Can Bus line. Radlok power cables fitting. AmpSeal 35 ways for I/O e communication. Weight 4.6kg.	1.590,00 €
